

# Nu-Fit® Adult Brief by First Quality®

For Moderate to Heavy Absorbency

**Prevail**  
by **First Quality**

## Features

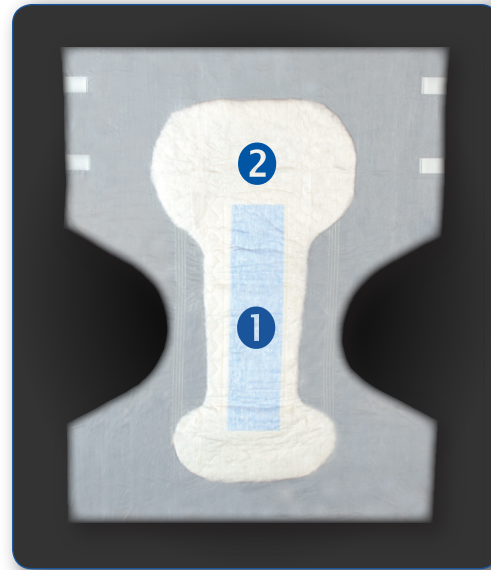

### Advanced Zoning System® (AZS)

AZS improves product's performance through specialized functional zones.

- 1 Target Acquisition Zone:**  
Advanced core design and fast absorbing Blue Stay-Dry Strip signi- ves skin dryness and reduces the potential for leakage for improved odor control, healthier skin and additional wearer comfort.
- 2 Fecal Containment Zone:**  
Scientifically designed to contain stool for improved containment and healthier skin.

### Linear Channel Embossing

This embossing channels fluid for fast acquisition which results in greater security and comfort.
